for more information

Being involved in a motor accident can be a stressful time and in the event that the accident is not your fault you may incur losses which are not covered by your insurance policy.

These are termed as "Uninsured Losses" and may include any of the following:-

- Provision of a replacement vehicle to suit your needs
- Organising repairs to your vehicle
- Personal injury compensation
- Loss of earnings
- Out of pocket expenses
- Loss of use of your vehicle
- Policy excess

Experienced claims handlers will liaise with insurers, vehicle repairers, engineers and third parties to recover these losses on your behalf. With up to £100,000 towards the cost of legal fees and assistance included, our Motor Legal Expenses Insurance policy gives you total peace of mind when you need it most.

#### Helplines and Additional Services
